# Back to Bloom - A Joyful Reopening

02.06.25 / 04.06.25

School reopening day marks a fresh beginning for students, offering a chance to return to a structured routine and a supportive learning environment. It provides the opportunity for face-to-face learning, where students can better understand lessons through direct interaction with teachers. Reconnecting with friends boosts social skills and emotional well-being, while access to school facilities like libraries and labs enhances the overall learning experience. Most importantly, reopening day renews motivation, helping students set new goals and approach the academic year with focus and enthusiasm.

The School Reopening Day brings renewed energy and purpose for everyone involved. For management, it offers the chance to implement new goals, improve systems, and strengthen the school community. Teachers and staff can reconnect with students, resume in-person instruction, and foster a more engaging classroom environment. For parents, reopening assures systematic learning, discipline, and social development for their children. Students benefit the most by returning to a routine, interacting with peers, and experiencing face-to-face learning that supports both academic and emotional growth. Overall, reopening day marks a positive step forward for all stakeholders.

# Teachers Training @ DAV & at GBPS

The academic year 2025–26 commenced on a progressive note with the **Teachers' Enrichment Programme** held from 2.6.25 to 6.6.25, covering all departments across the four NEP 2020 units. This refresher training aimed to strengthen pedagogical competence, foster collaborative strategies, and reinforce classroom effectiveness.

A **mentoring workshop** by DAV Kindergarten mentors guided GBPS pre-primary mother teachers in **TLM preparation, courteous interaction with students and parents, and efficient time and resource management**. Classroom observations followed by detailed feedback enriched the learning experience with practical insights.

GBPS earned laurels by securing **third place** in the **Inter-school Carrom Tournament** among associate schools. Additionally, a **two-day workshop** for the Physical Director and PET staff was organised to facilitate **annual planning** and capacity building for hosting inter-school sporting events.

To streamline academic dialogue and support, **monthly online meetings** were launched for teachers across all units and for students of **Classes X and XII**, enabling sustained interaction and guidance.

With dedication, innovation, and teamwork at its core, GBPS DAV Academic Association continues its collective journey towards **academic excellence and holistic development**.

The inaugural **CS DAV online session** marked the beginning of a series of interactive academic exchanges, expanding the scope of institutional collaboration.

# World Environmental Day

## World Environment Day

CONDUCTED BY THE DEPARTMENT OF SCIENCE (BIOLOGY)

ENVIRONMENT DAY CELEBRATION THROUGH VARIOUS ACTIVITIES

VENUE: - G B Public school ( PONDER ZONE), Melmaruvathur.

ACTIVITY DATE: - 05-06-2025

Participants': - Students, Faculty members & parents.

More than 500 STUDENTS ATTENDED THE ENLIGHTENING EVENT

ENVIRONMENT DAY is celebrated around the world with a beautiful message - "Our continuing efforts in our everyday lives will make this beautiful planet thrive." Environment day is a proof that even one person can make a global impact in a positive way. Echoing the same, G.B Public School celebrated "Environment Day" through a series of activities on 5th June.

The World Environment Day 2025 theme is "Beat the Plastic Pollution". The key point here is to act in a bold way, innovate in a broad way, and implement in an equitable manner.

# CELEBRATIONS AT A GLANCE

The activities conducted -

- A tree-planting ceremony within the premises 25 saplings
- An awareness talk highlighting environment conservation
- A short cultural programme to provide a strong impact on Beat the plastic pollution.
- Display of posters and banners promoting green initiatives.
- Fashion show by nature.

As the organization continues to work towards a cleaner, greener, and healthier environment, these events serve as a reminder of the impact we can make when we come together.

This programme definitely helped to spark the passion in our young students. Students felt motivated to take this cause forward by spreading the message and taking action before it's too late! Most importantly students learnt that 'Every Day is Environment Day'!

# School Assembly

09.06.25

At GB Public School, the morning assembly offers numerous benefits that go beyond the routine — it's a platform for holistic growth, discipline, and community spirit.

## Benefits of School Assembly

### 1. Promotes Discipline and Routine

- Encourages punctuality and orderliness.
- Helps students start the day with a structured mindset.

### 2. Builds Confidence and Public Speaking Skills

- Students get opportunities to present speeches, thoughts, news, etc.
- Enhances stage presence and communication abilities.

- Daily prayers, pledges, and patriotic songs promote ethics, respect, and patriotism.
- And, sets a peaceful and focused tone for the day.

"The school assembly at GB Public School is not just a routine — it's a daily celebration of learning, unity, and growth."

# Foundational Activities

10.06.25 / 12.06.25

Foundational activities in a school are essential for developing basic skills in literacy, numeracy, communication, and social-emotional learning. Through interactive lessons, play-based learning, physical activities, and value education, students build a strong base for academic success and personal growth. These early experiences help nurture curiosity, confidence, and a love for learning, setting the stage for lifelong development.

- ✓ **Literacy and Numeracy:** Building strong reading, writing, and math skills through engaging and age-appropriate gamified activities.
- ✓ **Play-Based Learning:** Encouraging creativity and problem-solving through structured and free play activities.
- ✓ **Social-Emotional Development:** Teaching students to understand emotions, build relationships, and develop empathy.
- ✓ **Physical Activities:** Promoting health, coordination, and teamwork through games, exercise, and movement.
- ✓ **Life Skills:** Developing responsibility, decision-making, and independence through daily routines and classroom practices.
- ✓ **Values and Citizenship:** Instilling respect, discipline, and civic sense through moral education and group activities.

# New Student Induction

11.06.2025

The school conducted a structured induction programme to welcome newly admitted students and orient them to campus life. Separate sessions were conducted for the four NEP 2020 stages – Foundational (Unit I), Preparatory (Unit II), Middle (Unit III), and Secondary (Unit IV) – ensuring age-appropriate guidance and engagement.

**Behaviour and Etiquette** – Expectations regarding peer interaction, cleanliness, and responsible use of school property were communicated.

**Safety and Well-being** – Health guidelines, emergency procedures, and student support systems were outlined.

**Co-scholastic Participation** – Opportunities in clubs, sports, literary and cultural activities, and community service were presented.

**Facilities and Resources** – Use of the library, laboratories, and digital platforms was demonstrated.

**Parent Communication** – Channels for school-parent interaction, including PTMs and online platforms, were introduced.

The programme ensured that the students across all stages began their academic journey feeling informed, confident, and connected to the school community.

## Key areas addressed during the programme

**Orientation Session** – Students were introduced to the school's vision, academic structure, and available support systems.

**Rules and Code of Conduct** – Norms related to attendance, punctuality, uniform, discipline, and digital behaviour were explained.

**Daily Schedule and Calendar** – Timetables, academic calendars, assessment plans, and assembly routines were shared.

**School Culture and Values** – Core values such as respect, integrity, inclusivity, and discipline were highlighted.

**The School student council conducted a campus tour for the newly admitted students making them feel welcome.**

# AI Training For Teachers

Title: Empowering Educators through AI Tools in Teaching

Date: 14/6/2025

Venue: COMPUTER SCIENCE LAB

Presented by: Dr. Shanmugavel, SRM Eswari Engineering college

## INTRODUCTION

With the rapid advancement of artificial intelligence (AI), the field of education is undergoing a significant transformation. To empower educators and enhance teaching methodologies, a workshop titled “AI Tools in Teaching” was conducted.

## Key Sessions and Tools Demonstrated

### I. ChatGPT – AI Lesson Planning and Content Support

The workshop began with an introduction to ChatGPT, an AI chatbot that assists educators in creating customized lesson plans, quizzes, reading material, and summaries. Participants observed how ChatGPT can instantly generate a structured lesson plan, such as a Grade 8 Science topic on “Water Cycle,” along with learning outcomes, engaging activities, and assessment questions. Teachers appreciated how the tool can be adapted to different subjects and student levels.

The session aimed to introduce teachers to a range of AI-based tools that support lesson planning, content creation, video production, reading access, and voice-based teaching resources.

The focus was on hands-on application of tools such as ChatGPT, MagicSchool.ai, InVideo, Z-Library, Eleven Labs, and MagicHour AI.

**2. MagicSchool.ai** – Tailored specifically for educators, this tool supports teachers with ready-to-use lesson plans, scaffolding strategies, parent email templates, and even IEP support. Attendees explored its features and created a lesson plan on “Democratic Government” for Class 6, which included differentiated instructions, activity suggestions, and formative assessments.

### 3. InVideo – AI Video Creation Tool

The session on InVideo demonstrated how AI can convert simple text into professional-quality videos. Teachers generated educational videos with background music, narration, and animations. A short video on “Photosynthesis” was created during the session.

### 4. Z-Library – Free Digital Learning Resource

Z-Library, a vast online repository of free academic books, where Educators explored how to access supplementary reading material, reference books, and textbooks to enrich lesson content.

**5. Eleven Labs** – AI Text-to-Speech Generator- allows users to input text and produce natural-sounding speech in multiple voices and languages. Useful for creating audio lessons, supporting visually impaired learners.

### 6. MagicHour AI – AI Image & Visual Creation

Tool an AI-based visual content creator to generate educational posters, diagrams, and story visuals by simply entering a topic. A poster on “Environmental Conservation” was generated in real-time,

### Feedback and Conclusion

Participants found the workshop highly informative and practical. They were enthusiastic about integrating AI tools into their teaching to reduce workload, increase creativity, and improve student interaction.

# Reuse Creatively - Respect Resources

## CREATIVE REUSE: WASTE PLASTIC ART-MAKING WORKSHOP

VENUE: - G B Public school ( PONDER ZONE), Melmaruvathur

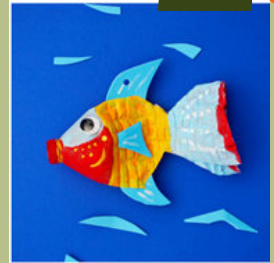

ACTIVITY DATE: - **14-06-2025**

Participants': - *Students*

TOTAL STUDENTS ATTENDED: - *More than 300 STUDENTS*

## Objectives

- To raise awareness about plastic pollution and its environmental impacts
- To encourage creative thinking and innovation using recycled materials
- To instill the values of sustainability and responsible waste management
- To equip participants with basic skills in eco-friendly art-making

## ACTIVITIES CONDUCTED

- **Demonstration:** Live demonstration by artists on how to use plastic bottles, wrappers, caps, and containers to create decorative and functional art pieces
- **Hands-On Activity:** Participants worked in groups to create items such as models like Hone bee, flower pot and Lady bird bug using waste plastic

**The Waste Plastic Art-** Making Workshop successfully blended creativity with environmental responsibility. It not only highlighted the importance of recycling and up cycling but also empowered participants to become active contributors toward a cleaner and greener planet. The event stood as a testament to how small actions, when combined with creativity, can lead to impactful change.

# CRYSTAL JUBILEE 2025 -26

Rooted in Arulthiru Amma's values...

*Soaring towards excellence!*

**GBPS shines brighter!**

**15 YEARS OF EXCELLENCE**

# International Yoga Day

**Dr. Sakthi. B. Sridevi's** guidance

**Co-ordinated By**

Principal of school **Mr Rajavel**

Vice Principal **Mrs. Sukanya**

Teachers at this event By help, Grade I - Grade XII, 1192 students studying up to class, About the importance of participation and yoga, They learned through training.

Our school celebrated International Yoga Day with great enthusiasm and zeal. The event aimed to promote physical and mental well-being among students through the practice of yoga. Students and teachers performed in various yoga asanas and breathing exercises, led by a certified yoga instructor. The session helped improve flexibility, balance, and concentration.

*International Yoga Day Celebration  
on 10.06.25 / 12.06.25*

*Saturday at  
**G. B. Public School***

The event was conducted by the physical education teachers

- **Mr Sivakumar** – Physical Director
- **Mr. SatishKumar** – PET(Male)
- **Mrs. Isabella Rani** – PET(Female)

The event concluded with a sense of calmness and positivity, emphasizing the importance of yoga in daily life. Overall, it was a wonderful experience that encouraged students to incorporate yoga into their daily routine for a healthier lifestyle.

**"Commemorating International Yoga Day, GBPS students presented a graceful sequence of yoga asanas before the NCC Commander."**

# International Award (Grand Prix Award)

**23.06.2025**

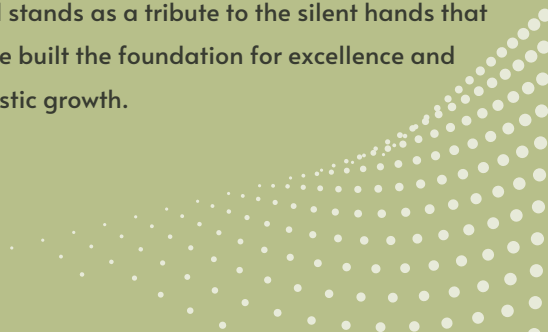

**G. B. Public School, Melmaruvathur** was honoured with the prestigious **International Grand Prix Award** for **Best School Infrastructure by Colours Corp., Japan**, in recognition of its world-class facilities and student-friendly environment.

In continuation of this achievement, a felicitation ceremony was held on **23.06.2025** to appreciate **Mr. Harikrishnan, Chief Engineer, Adhiparasakthi Group of Schools**, for his steadfast commitment to the group's infrastructural development and expansion.

The event was graced by the **Honourable Madam Correspondent**, who delivered an inspiring address highlighting his vital contribution to realising the Founder - President's vision of a dynamic, learner-centric environment.

**Mr. Harikrishnan's** efforts have played a key role in creating campuses that are safe, functional, and future-ready. This international recognition marks a **proud milestone** in the school's journey and stands as a tribute to the silent hands that have built the foundation for excellence and holistic growth.

# Service Unit Activities

On World Environment Day, the school's NCC, JRC, Scout, and Guide students took part in a banner-walk to raise awareness about environmental conservation. Carrying banners with eco-friendly messages, they marched through the school premises, spreading the importance of protecting our planet.

The event aimed to inspire students to adopt sustainable practices, reduce waste, and promote a greener future.

Through this initiative, the students demonstrated their commitment to environmental stewardship and encouraged others to join hands in preserving nature for a better tomorrow.

## Drug Awareness

26.06.2025

Drug awareness focused on educating people—especially the students—on the dangers of drug use and abuse. It helps individuals make informed choices, resist peer pressure, and understand the health, legal, and social consequences of drug misuse.

## Awareness Walk

A community walk with banners, posters on the found eager participants.

Theme: "Say No to Drugs" or "Healthy Me, Drug-Free"

# Inter-school Carrom Competition (DAV Kreedha Kendra)

The students of **GB Public School** showcased exceptional skill and sportsmanship at the **inter-school carrom competition** organised by the Kreedha Kendra - the sports wing of DAV Schools, Chennai held on **25.06.2025**, securing an impressive third place.

Their dedication and strategic gameplay earned them a well-deserved recognition.

We extend our heartfelt appreciation to these talented students for their remarkable achievement, reflecting the school's commitment to nurturing talent and promoting healthy competition.

**Congratulations to the winners on this outstanding accomplishment!**

# Service Unit Activities

## Exercise Practice

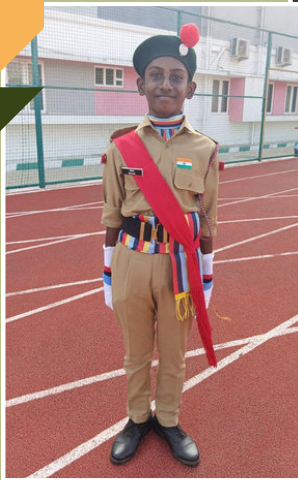

- Our **Physical Director teacher** has been instrumental in guiding students during morning assembly exercises, demonstrating dedication and expertise.
- With patience and enthusiasm, the **Physical Educational Team members** have taught students various physical activities, promoting fitness, discipline, and teamwork.
- We appreciate their tireless efforts in shaping young minds and bodies, fostering a culture of health and well-being.
- Their commitment to student development is truly commendable, and we are grateful for their valuable contributions to our school community.

# Thal Sainik Camp(TSC)

## (CATC) Combined Annual Training and Firing Camp

NCC Firing Camp is a specialized training event organized by the National Cadet Corps (NCC) to provide cadets with hands-on experience in weapon handling and live firing. It aims to develop discipline, focus, and confidence among cadets, while also teaching them the basics of marksmanship and firearm safety.

Kanchipuram, Panchayappa College Ground,  
500 CADET participated our GBPS NCC CADET  
“S Sanjan, Grade IX -A” got the First Place  
(0.5cm) and selected to the Next Level.

Mr C. Sivakumar, the Associate NCC Officer(ANO)  
for GBPS mentored the NCC Cadets to taken part  
with vigour in the camp.

# Student Council Election

27.06.2025

Student Council Elections give students a voice and teach democratic values through leadership roles in the school.

- Promotes Democratic Values
- Develops Leadership Skills
- Encourages Teamwork and Collaboration

- Promotes Responsibility and Accountability
- Provides a Platform for Student Concerns
- Fosters a Positive School Culture

Student council elections give confidence to the student to organise school assembly, cultural events, and community service, internal & external cultural competition and other activities

# Herbal Medicine Heritage (Tamil Culture)

27.06.2025

The exhibition on traditional food habits and herbal medicine was successfully held at **G.P. Public School** on **28.06.2025**, celebrating the pride and heritage of the Tamil people.

Through this exhibition, students learned about the excellence of the Tamil people is traditional food practices and Siddha medicine.

Traditional food items like cereals grains, millets, and dairy products offer a range of nutritional and health benefits. These food items, often rich in fibre, vitamins, minerals, and antioxidants, boost immunity and also act as natural medicines.

# Tamil Club Activity

27.06.2025

Painthamizh Mandram - Thirukkural Recitation Competition

- Students demonstrated a deep understanding of Thirukkural.
- Efforts in preserving and promoting heritage were commendable.
- Exceptional recitation skills were showcased.
- Students' achievement is a testament to their hard work and dedication.
- Appreciation for Tamil literature and culture was evident.
